

Easily add, delete, rotate, and rearrange your document's pages.

Try organizing the pages in your document by following the steps below:

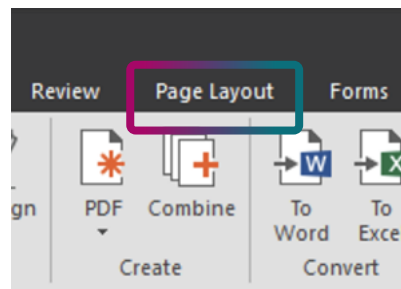

Step 1

Select **Pages** icon in the left pane to open thumbnails panel.

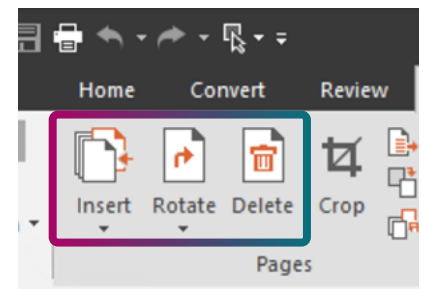

Step 2

Alternatively, you can open **Page Layout** tab.

Step 3

Add, delete, or rotate **pages** using the icons on the left side panel.

Step 4

Rearrange pages by **dragging and dropping**.
